How we can help you:

Help you achieve your desired outcome at a sensible cost.

Provide you with the highest standards of care and legal advice.

Our promise to you:

We will make a difference to you as Chester's leading family law firm.

You and your matter, matter to us.

FAMILY LAW PROBLEMS?

We have expert family lawyers to help and support you whatever your family problem.

We'll be by your side giving you support and expert legal guidance to find the best outcome for you and your children.

We put you and your children first. As members of the 'Resolution' group we are committed to resolving matters in a constructive way.

We have a team of experienced lawyers, who are accredited experts in family law and litigation, financial settlements, pre nups, cohabitation agreements, children law, collaborative family law and family mediation. We offer specialist advice in all areas of family law including the following:

Cohabitation

We have accredited experts in this area who can help with cohabitation agreements, the division of assets on separation, arrangements for your children, protecting interests in property, occupation of property on separation, recovering any financial interest and child support.

Children

We have accredited experts in children law and the expertise to represent you in court proceedings and to help and advise you on negotiating the arrangements for co-parenting on separation.

Divorce and separation

We will guide you through divorce and separation to help you work out the best outcome for you and your children in a cost effective and timely way.

We are members of:

Financial issues

We have accredited experts in dealing with all financial matters on separation or divorce – court disputes, financial settlements, pensions, lump sums, maintenance and child support. Our family team is supported by our commercial and farming lawyers who provide their in-house expertise where required. We are proud to have an in house independent financial advisor to assist our clients making financial decisions.

Domestic abuse

We have accredited expertise in domestic abuse and obtaining protective orders for individuals and property. Our team is understanding and supportive – essential when you feel vulnerable.

Mediation

We have an in-house accredited family mediator who will meet with both of you to help you both to reach agreement about financial issues and arrangements for your children.
